

Website Renovation

Web sites have become a part of most company's business plans: as a marketing tool, to communicate with clients and/or employees, and possibly to conduct e-commerce. Keeping your website current can ensure that it is meeting your goals and you are maximizing opportunities to engage customers.

Why Renovate Your Website

- ◆ Add functionality for users
 - Tour of your products or service
 - Access to data for clients or employees
 - Online ordering or reporting
- ◆ Create a fresh look that conveys your image and emphasizes your brand.
- ◆ Keep your staff listings and product and service offerings up to date
- ◆ Increase usability with fast loading pages and intuitive navigation
- ◆ Give visitors a reason to come back to your site by providing new content

Renovation Options

- ◆ Complete site renovation
- ◆ Add features to current site
- ◆ Update content within existing framework

JTechWorks can help you evaluate which option is best for your company. We also provide consultation services including evaluation of your existing site. Call us today to discuss how we can help your business.
